/Dr. Kelechi C. Egwim/  
Primary Examiner, Art Unit 1796

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant presented the application and importance of their solution by way of the above mentioned demonstration, and presented a new version of the claims to substitute the last set of claims that were filed. The examiner agreed that the new version presented, if submitted, would be sufficient to overcome the 112 rejections. Also, the examiner suggested that, with the upcoming reply, the slideshow would be sufficient to represent all that is demonstrated in the video. Thus, there is no need to submit the video.
